

WELCOME TO THE
 “TRAVELING CARNIVAL”
 GULF COAST CHAMPIONSHIP
 2020

THE RANCH TX
 PRIVATE SHOOTING CLUB

The Gulf Coast Championship (GCC) continues to be The Premier Match to attend, filling registration in just weeks! The GCC core staff continues to push the limits of shooters by creating stages that challenge and excite shooters, keeping them coming back year after year and encouraging new shooters to attend.

Our match is unique as all proceeds to go our match charity: Homes For Our Troops (HFOT)! HFOT is an A-rated charity with only 10% administrative cost, that builds accessible houses for severely injured Veterans: www.hfotusa.org. *This a very worthy cause and we are happy to be able to participate!*

Attending as a Vendor is a unique opportunity to personally reach participants from across the United States, and expose your business or service to over 200 competitive shooters and spectators. If your business offers shooting accessories, shooting related activities, or even hunting products – match sponsorship is an advertising opportunity tailor made for you!

Vendors are requested to setup on Thursday afternoon or Friday morning and tear down Saturday after the award ceremony.

Vendor spaces are \$200 cash or \$300 in product.

Confirmation is required by February 15.

Limited space! Vendor locations will go quickly!

Your decision to be a vendor at this match will provide access to competitive IDPA shooters from across the United States!
